

Dear Parents/Carers

A big thanks to all of you who have children in Year 7 and 8 and have supported us with the selling of the Rotary Club raffle tickets; the proceeds of which will all be coming back to Brakenhale and our fund raising initiative for equipment in our new build. Lots of students in Year 9 have now been asking for tickets to sell so if you have any you are unable to sell please send them back in so we can pass them on to those who are able to. Today has continued the theme of fundraising with our amazing Children in Need cake sales. A huge well done to all the young people involved in baking and selling cakes and to all the parents who contributed to this. We have raised just over £300. Watch this space for our next Christmas themed cake baking competition!

This week we have had a real buzz around the staffroom and classrooms as we launched our first ever 'Learning and Teaching Festival' led by Mrs Powell alongside Mrs Cresswell, Mrs Masson and Mrs Higham. Staff have been going in and out of each other's classrooms to observe great teaching and to pick up new ideas. I was teaching a Year 8 History lesson this week and found 4 staff had crept in to watch. In addition staff have been attending workshops on literacy, research and engaging ideas in order to keep their own lessons continually injected with innovative strategies. Staff have also been circulating amazing work produced by students to all staff to see and celebrate. Brakenhale is a centre for learning innovation not just for students but for staff as well and it is fantastic for the students to see this too.

Last week I reported to you that Post 16 students had attended the Senior maths Challenge competition. What I didn't say was that 3 very talented Year 11 students also participated, apologies to Hannah, Sophie and Jemma for that omission – what an achievement! We now have the results in and they are outstanding – a huge well done to them all and in particular Hannah Franklin for her first place.

- Abitha Mahabakkalage - Year 13 - Silver - Best in Year Group
- Jordan Penn - Year 13 - Silver
- James Walford - Year 13 - Bronze
- Ella Brigden - Year 13 - Bronze
- Hannah Franklin - Year 11 - Gold - Best in Year and the School – Hannah has also qualified for the Kangaroo which is the next round!
- Sophie Walsh - Year 11 - Silver
- Jemma Thompson - Year 11 - Participation award

Students of the week:

Ellis Day Year 12

Ellis has worked hard at his football, and has just signed for Bracknell Town FC to play for the men's first team after having scored 7 goals in 4 matches whilst out on loan at Wokingham. Bracknell Town are currently top of the Bostik South Central League. Ellis always keeps up-to-date with his studies and is a real ambassador for the school.

FAB feedback this week:

- We have been so impressed by the way sixth form is being managed and how the school ensure the students' needs are met educationally and emotionally. We especially support the safe drive stay alive course, sparked hours of conversation and reflection across our whole family.
- I would just like to say 'Thank you' for the lovely letter my daughter got from Ms Coley about her progress report.

DRAB feedback this week:

- We think there should be more parents evenings
We have taken into account parents' views on parents' evenings and this year we are offering Key Stage 3 parents' evenings across 2 nights to try and allow more time for conversations and for parents to get to see all staff. The school calendar is very full and we wouldn't have the capacity to put on more parents' evenings however staff are very happy to meet with parents across the year so please do contact specific teachers who will be happy to make arrangements to meet up.
- We can't always get on the new maths site, and our child gets very little maths homework.
I am sorry to hear this. Mr Dean, the Director of Maths, has informed me that he has been in contact with the company providing the online platform about some issues with access which are being worked on. Some students aren't using the correct log on details which are as follows: <https://app.eedi.co.uk/login>
- Lost PE kit for third time! Told too many students get changed together, rushed and small PE bags with a lot of kit don't help.
Mr Potter the Head of PE is looking into this issue and met with the uniform suppliers last week to look at the PE bags and how we can improve kit bags and sets. Please bear with us while we try and organise this. In the meantime please make sure all kit is clearly labelled as often items aren't personalised and this makes returning them more difficult.

Staff member of the week:

Mrs Duffy: She gave reassurance to my daughter that she could still be involved in the school production despite missing some rehearsals due to health issues. She replied really quickly to my email and was friendly and understanding. For always being motivated and encouraging all of my tutor to do our best and making lessons fun every time.

Motivational quote for next week is

'If we keep doing what we're doing, we're going to keep getting what we're getting.' - Stephen Covey.

Have a lovely weekend.

Jane Coley, Headteacher

Wednesday 21st November

Year 13 Parents' Evening

Keeping Students at School

Although we don't regularly keep students behind at the end of the day we are legally allowed to expect a student to stay for up to 15 minutes where necessary.

It is almost always better to solve any issues immediately and this is why staff may sometimes do this.

Obviously if a student needs to contact home to say they are being slightly delayed this can be facilitated.

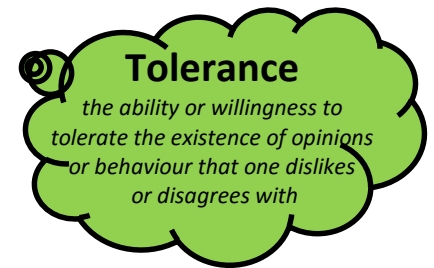

November Learn a Word Day

On Friday we held our second Learn a Word Day, following on from the success of 'Adversary' in October.

Tokens were once again given out for using November's work – Tolerance – correctly in a full sentence, either written or verbally.

Thank you to all the staff for helping develop vocabularies and ensuring students talk and write in full sentences and well done to all who took part.

Mrs D Lewis, English Teacher

Cycling Safety

We have become aware that some students have been riding to school in the morning without a helmet. We would like to remind students that if they are seen riding without a helmet they risk losing their permit. If your son/daughter does cycle to school, could you please remind them of safer cycling and ensure that they always wear their helmet.

Cycle safety

Cycling needs to be encouraged – it's green, healthy and fun and it helps children to become independent.

However, in 2014, 85 cyclists aged 8-11 were killed or seriously injured on Britain's roads, so it's vital that 8-11 year olds learn how to stay safe on a bike.

Helping your child stay safe

- Ask your school or Local Authority about cycle training in your area. Your child shouldn't cycle on roads until they have been trained.
- Check your child's bike to see if it's roadworthy: look at brakes, tyres and lights/reflectors (when riding at dusk or at night you must have white front lights and red back lights and reflector)
- Make sure the bike is the right size for your child
- When out driving, teach your child about roundabouts, traffic lights and pedestrian crossings
- Find out where local cycle paths and lanes are
- Make sure your child wears a helmet which fits and is worn correctly, it should not be pushed too far back on the head
- Ensure your child wears some high-visibility clothing when cycling
- When out and about with your child look at cyclists and talk about how easy they are to see

Remember that if you cycle yourself you should set a good example!

The basics of cycling safety

These are all covered in detail in the Tales of the Road booklet which your child should have a copy of.

- Look behind before you turn, overtake or stop
- Use arm signals before you turn right or left
- Obey traffic lights and road signs
- Do not ride on the pavement unless there is a sign saying that you can
- On busy or narrow roads do not cycle next to another person
- When overtaking parked cars, watch out for car doors opening suddenly
- Do not listen to a personal stereo while cycling

These are just some of the rules children who ride on roads should know. Young cyclists need to learn what road signs mean, how to deal with roundabouts and understand when to give way. If you have time, read through the Tales of the Road booklet with your child.

Find out if **cycle training** is available at your child's school – this is the best way to learn the skills and knowledge needed to stay safe on the road. You can learn more about cycle training in your area at www.bikeability.org.uk - [new window](#) or contact your local Road Safety Officer through the Local Authority.

Christmas Concert

Brakenhale is getting in the festive mood with our Sixth Form music students organising our annual Christmas concert. Ever since the start of the year in September, the music students have been hard at work to bring you a myriad of impressive performances.

With the event taking place on Monday 17th December, we invite any students to perform a musical piece of their choosing. There have been sign-up posters placed at the doors of both music departments and we would love to have your child sign up and perform. They would need to have a song prepared for audition on Monday 19th November as we need to see the performances to give feedback and advice and get a better understanding of who will be performing and their music.

We would also like to request that if any parents have decorations that they could give to the music department for the event it would be much appreciated.

On behalf of the music department and the Sixth Form students organising the event we thank any parents and students that are able to be involved in the concert.

Children in Need

Thank you to everyone who donated cakes to sell on Friday for Children in Need.

With a colourful poster made by our students and the teletubbytastic efforts of Mrs Theal, Mrs McCroire, Mrs Forde and Mr B we raised the fantastic total of £305.81.

Well done everyone.

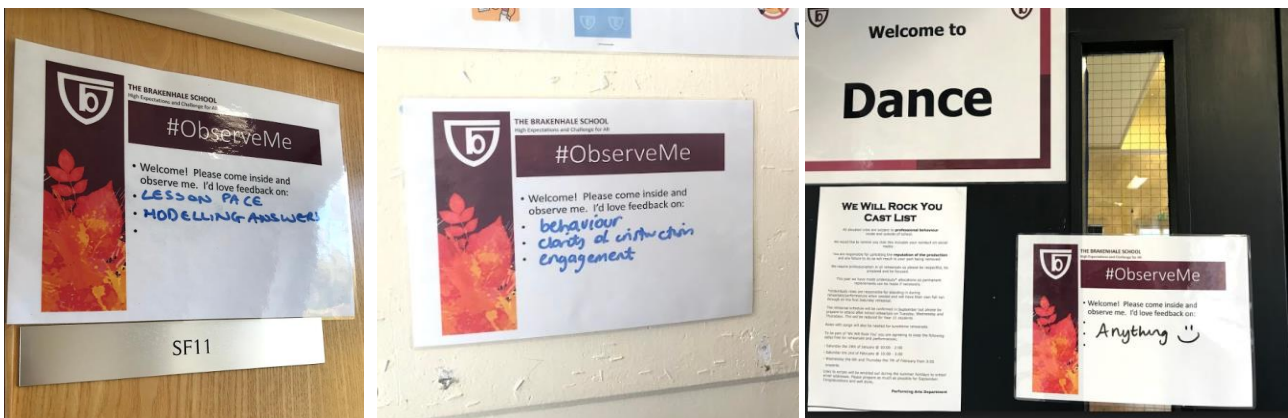

Learning and Teaching Festival

There has been extra zing to the buzz around Learning and Teaching this week as the staff have been exploring and celebrating our expertise in teaching with the first ever Learning and Teaching Festival. We have had expert and discussion sessions on research, marking and feedback, SEN, behaviour and twitter! There has been a literacy focus at lunch times and all staff have been invited to visit each other's classrooms to see one another in action. Here are just a few pieces of feedback we will be sharing back to the teachers:

- Passion in explaining the topic, the detail and knowledge around the topic.
- Feedback was detailed and time given for D. Then a memory recall extension!
- Students' reactions to good detailed praise - they were then all seeking positive responses and this engaged them.
- Good circulation and speaking with all students, engaging and building relationships.

Thanks to all the teachers who got involved and especially to Mrs Cresswell, Mrs Masson, Mrs Lowe, Mrs Lewis, Miss Wilhelmy, Miss Baveystock and the Student Support Centre team for leading sessions and initiatives.

Fundraising

We need your help to raise £47,770 by September 2019!!!!

EASTHAMPSTEAD ROTARY CLUB DRAW

Thank you very much to those of you who have already sold raffle tickets and returned the money. When I did a quick scan of money banked yesterday, we had taken in £223.00. Year 7 are selling more tickets than Year 8 and the staff are doing particularly well.

Please do your best to sell the tickets – remember that every penny we take we will get to keep and use to equip our new building. We have the potential to raise much more! The final date to return money and tickets is 3rd December.

Thank you also to the parent who used the MyDonate page and made a donation this week.

<https://mydonate.bt.com/events/iwanttobuysomefurniture/472468>

Our total is currently running at £2,230.

I have sold some of the drills donated but we have some left. If you are looking for a great deal on a drill or a Christmas present for handy people, please consider this and contact me if you want to purchase at

STOP: for Parents of Teens

STOP: A Supportive Programme for Parents of Teens

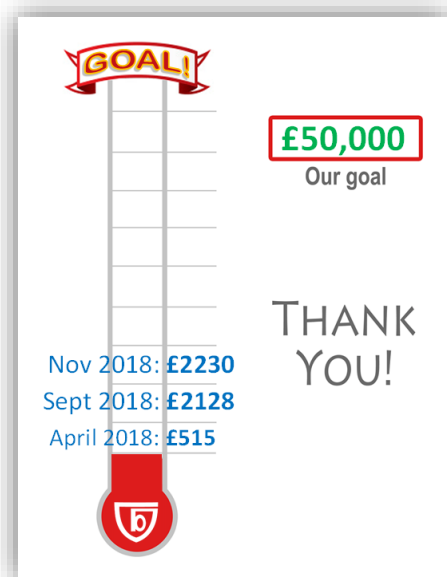

STOP is an effective parenting course for parents and/or carers of young people aged 10 to 16. It is a step-by-step programme that gives parents a greater understanding of their young person and strategies to help manage situations which often occur during the 'teens'.

The programme will be run on the following dates and be located in school. Please contact the school if you are interested.

- Thursday 22nd November 13.00 to 15.00
- Thursday 29th November 13.00 to 15.00
- Thursday 6th December 13.00 to 15.00

Performing Arts News

South Hill Park Panto and High School Musical

Congratulations to our amazing students who have gained roles in South Hill Park's Panto and High School Musical. The students will be performing in both productions after auditioning to gain their places. We look forward to hearing about their progress and seeing their performances. Details about both productions will be shared in parent news in the upcoming weeks.

Year 13 - Kier B, Year 11 - Lauren W, Year 10 - Emma W, Year 9 - Arianna K

Disneyland Performance

We are incredibly proud of our P16 student Kiera H who represented her Dance School in Disneyland Florida. Kiera was selected to attend the trip and perform at the well known holiday destination alongside the professional Disneyland cast. This was a fantastic opportunity for Kiera and brilliant experience ahead of her University auditions.

Year 9 Gifted and Talented Drama Club

Mrs Raby starts our first Gifted and Talented Drama Club for Year 9 this week - students who show great potential in the subject have been invited to attend at Friday lunchtimes to explore Drama in more detail and develop their skills. We are excited to see what they will create and explore; we hope that students will take advantage of this fantastic opportunity to get more involved in the subject. If your son/daughter would like to attend but has not yet received their invite (we are trying to get round the year group as quickly as we can!) please feel free to email Mrs Raby at araby@brakenhale.co.uk and express an interest!

Vocal Group

We are looking for more students to attend our brand new Brakenhale Vocal Group with Mrs Hope after school on a Thursday 3:05 - 4:05. The group successfully started last week and are already getting into the festival spirit with Christmas songs and a mix of pop music. This is a brilliant opportunity for students who love to sing or want to improve, they will have the opportunity to represent the school and upcoming events. Also there is a rumour that she brings biscuits . . .

Change of Date We Will Rock You

Due to unforeseen circumstances the dates of this years musical 'We Will Rock You' has been moved back to the following - Wednesday the 27th and Thursday the 28th of February. We apologise for any inconvenience this might cause. Students involved in the production have already been told about this.

University of Chichester Dance Insight Day

Our Year 13 students attended the University of Chichester Dance Insight Day as part of the Univeristy Open Day last week. The students participated in a tour of campus, a technique class by a professional dancer and watched the MA and BA students perform a range of works from professional choreographers. We also had a quick catch up with past students Tyler (3rd Year) and Chloe (1st Year) who are both thriving at the University on their Dance and Theatre Studies courses. The students gained valuable knowledge about the course , studying Dance at University and experience in an audition style situation.

Mrs C Duffy, Head of Performing Arts

Comic Strip Competition

All you budding artists and photographers need to get creative! The Brakenhale Bugle is launching its first Comic Strip Competition - the paper needs a comic strip for the first edition due to be published at the end of this half-term.

The theme of the comic strip should be related to either Christmas, winter or events that are relevant to this time of year (not just pumpkins). The comic strip can be in colour or black and white and should be limited to 4 panels (there are lots of comic strip templates available free online). The comic strip can either be hand-drawn, digitally created or even use the Fumetti style and be photographic.

The deadline is the 22nd November and submissions can either be emailed or handed in to Miss Wilhelmy (twilhelmy@brakenhale.co.uk) or Mrs Keljarrett (ckeljarrett@brakenhale.co.uk). If you have any questions or need some help, please come and see either of us.

Mrs C Keljarrett and Miss T Wilhelmy

Health and Social Care

On Monday, the Year 13 Health and Social Care class headed over to Astbury Manor Care Home. The Year 13 students are currently studying about Working in Health and Social Care, so what better way to put the theory into practice than actually seeing it happen in real life. Our guides for the trip were the lovely Tania and Tracey who showed us round the amazing care home and answered any questions the students had. We also got the time to talk to a couple of the residents which was great. The trip was really beneficial and helpful to the students.

We will be working with Astbury Manor again, so watch this space.

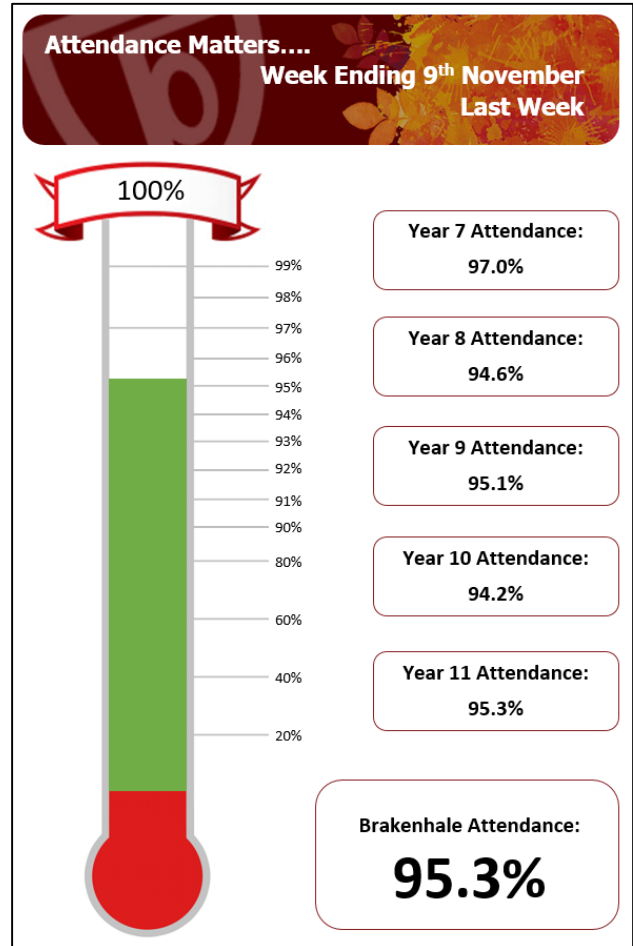

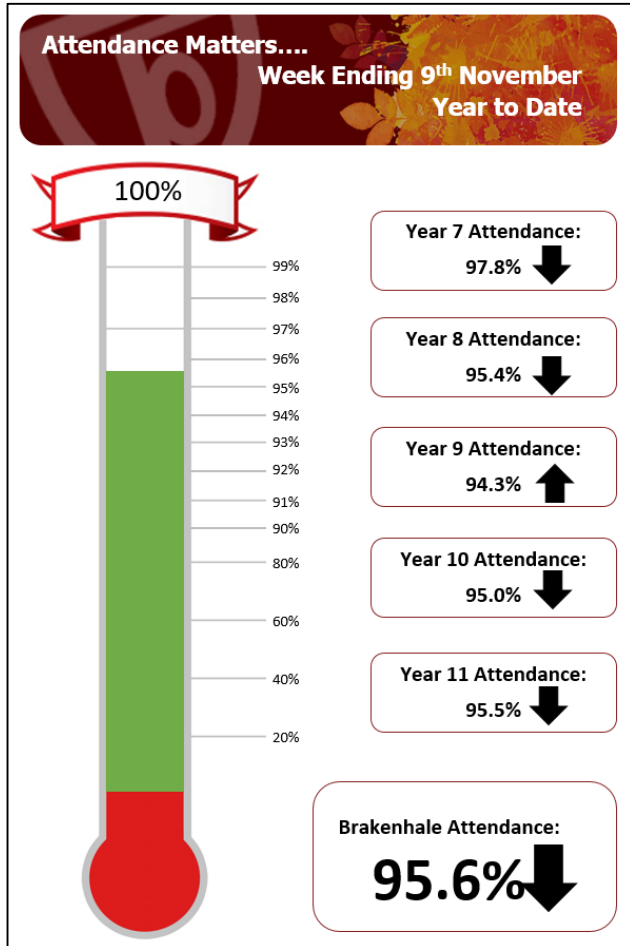

Miss L Willimott, Lead Coordinator of Girls PE and Teacher in Charge of Health and Social Care

Attendance

We believe that high attendance is essential in order for students to make good academic progress and to feel that they are active members of the school community, involved not only in lessons but also in the extra-curricular activities that are so important to their wellbeing.

Students can keep track of their attendance in their planner.

Should you have any questions or wish to discuss any issues that may be preventing regular attendance or causing lateness, please do not hesitate to contact me.

Miss Skill, Attendance Officer

Berkshire Youth – Ice Skating

Year 7 Netball v Edgbarrow

A cold Tuesday evening saw the second Year 7 netball match of the year. This time we were inundated with girls who were eager to play and represent Brakenhale in the match against Edgbarrow. All 25 girls who played showed excellent sportsmanship during the match as we rotated 4 teams to allow everyone the opportunity to play. The girls showed very high professional conduct and were engaged with the team talks. They took on the information needed and improved with each quarter. For some of the girls it was the first time they had played on team together.

The girls battled a strong side from Edgbarrow and managed to collectively score 7 goals against the opposition.

We would like to say well done to the captains for organising their teams and to Lizzie D, Ellee D and Kendra D for being picked as players of the match. We look forward to seeing all of you at training. Our next game will be on Thursday 6th December and is away.

Year 9 and Netball Netball v Garth

On Wednesday, the Year 9 and 10 teams headed off to Garth to play our Netball fixture this season.

In the Year 9 team we had some new faces who have not represented the school before and they played brilliantly. The girls showed real team work and were encouraging each other throughout the whole match, which was really lovely to see. There was some lovely play going down the court and some great interceptions by the defence, however we just

could not get past Garth, they seemed unstoppable. Player of the match was awarded to Sophie H and a big shout out needs to go to Nadine for being captain for this game.

In the Year 10 game there was some amazing play along the court and the girls put in 100% effort, they did not give up and showed real determination throughout the whole game. They responded well to the team talks and their last quarter was the best quarter they played. Unfortunately the Garth team just showed the better of us. Player of the match was awarded to Maisie Sweeney. An additional shout out to Emma Warner as she never gave up and consistently ran throughout the whole game, which makes a good Centre. Another shout out needs to go to Victoria Mitchell as she believed she could only play one position, but did a brilliant job at wing defence.

Good Luck Girls in your next match.

Young Ambassadors

As it's a new year, we needed new Young Ambassadors (YA). Before half term the Year 10s had the chance to apply for the role of a YA and interviews took place last week. It was a tough decision for myself and Mr Potter to make as we had a number of good applications and interviews.

The final choice has been made and this year's Ambassadors are:

- Aaron Reed
- Emma Warner
- Miles Harvey
- Victoria Mitchell

This week saw their first meeting where they got to meet the other YAs from other schools and find out more about what they are doing. They are going to be completing a mini project in school (more details to come in future parent news) as well as leading at the Berkshire School Games.

Athlete of the Week

This week's athlete of the week is awarded to Sophie Hatch.

Sophie achieved player of the match against Garth and as well as this she has been an amazing help in rallying the team together and ensuring we had enough players. Well Done Sophie.

U14 Bracknell Cavaliers Colts
Looking For Players

U14 Bracknell Cavaliers Colts are in need of expanding our football squad as we have some long term injuries and find ourselves with a depleted number of players this season.

We need to fill gaps in the defence, goalkeeper and forward positions, however all-round players with experience would be welcome.

If you are interested we would love to hear from you.
